

KWICKSCREEN

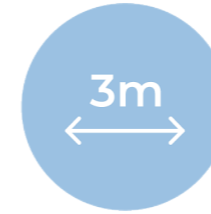

# AIR

Light, thin and flexible, the Air is our unique fixed to wall option for stationary privacy that doesn't sacrifice flexibility.

ASPIRE®

## FEATURES

### 3m Extension

Full extension of up to 3 metres with a very small storage footprint when retracted.

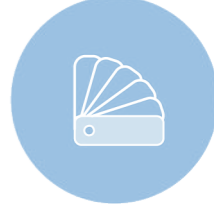

### Fixed to Wall

Perfect for in between bed spaces or spaces requiring non-portable privacy.

### 180° Range

180° range of movement from the fixed wall bracket.

### Customisable

Choose from our extensive image catalogue for a print that suits your space.
